

The image features a central abstract floral design. The petals are rendered in various shades of green and blue, with a black stem and base. The entire composition is covered in a pattern of small white dots, which are more densely packed in some areas, creating a textured, starry effect. The background is a light, neutral color.

Flowers

NATALIJA RIBOVIC

All about flowers - Blumen in der Kunst

7. Juli - 6. Oktober 2024

Vernissage am 7. Juli um 11Uhr
